

Department of Commerce: Shaping Future Business Leaders

Welcome to the Department of Commerce, where we prepare students to build strong careers in the ever-growing fields of business, finance, and trade. Commerce has become one of the most popular streams among students because it offers a wide range of job opportunities in both government and private sectors.

About the Department

The Department of Commerce at GDC Nankhari began in the academic session 2017–2018 with the aim of providing meaningful and high-quality business education.

✓ Our Core Offering

We currently offer the Bachelor of Commerce (B.Com) program, a three-year undergraduate course designed to give students a solid understanding of major commercial subjects.

✓ What is Commerce?

Commerce is the essential **study of business, trade, and economic activities**,

providing the critical framework for how capital is managed, organizations operate, and goods and services move within the global marketplace. Our program is meticulously designed to equip students with a robust and current understanding of the complex modern economy by

covering fundamental knowledge in a broad spectrum of disciplines. This includes comprehensive study in **Financial, Cost, Management, and Corporate Accounting**, alongside core principles of **Finance, Banking, and Insurance**. We also offer in-depth coverage of crucial regulatory and legal frameworks such as **Business Law, Company Law, Income Tax, GST, and Auditing**, emphasizing corporate governance and compliance. The curriculum integrates vital organizational and strategic disciplines like **Human Resource Management (HRM), Marketing, Management, Corporate Governance, and Personal Selling and Salesmanship**. Furthermore, to ensure students are well-prepared for the contemporary regime, subjects like **Business Statistics** and updated computer-related courses are incorporated to enhance analytical and technological proficiency. Finally, acknowledging the modern digital landscape, the curriculum also includes subjects focusing on **E-commerce** and the principles of **Entrepreneurship**, preparing our graduates to navigate and excel within the complexities of the global economy.

Vision and Mission

Our vision and mission statements reflect our commitment to academic excellence and holistic student development.

Vision: To be a premier center for Commerce education that fosters analytical thinking and professional excellence, transforming students into ethical leaders and successful entrepreneurs who drive innovation and contribute significantly to the evolving global business environment.

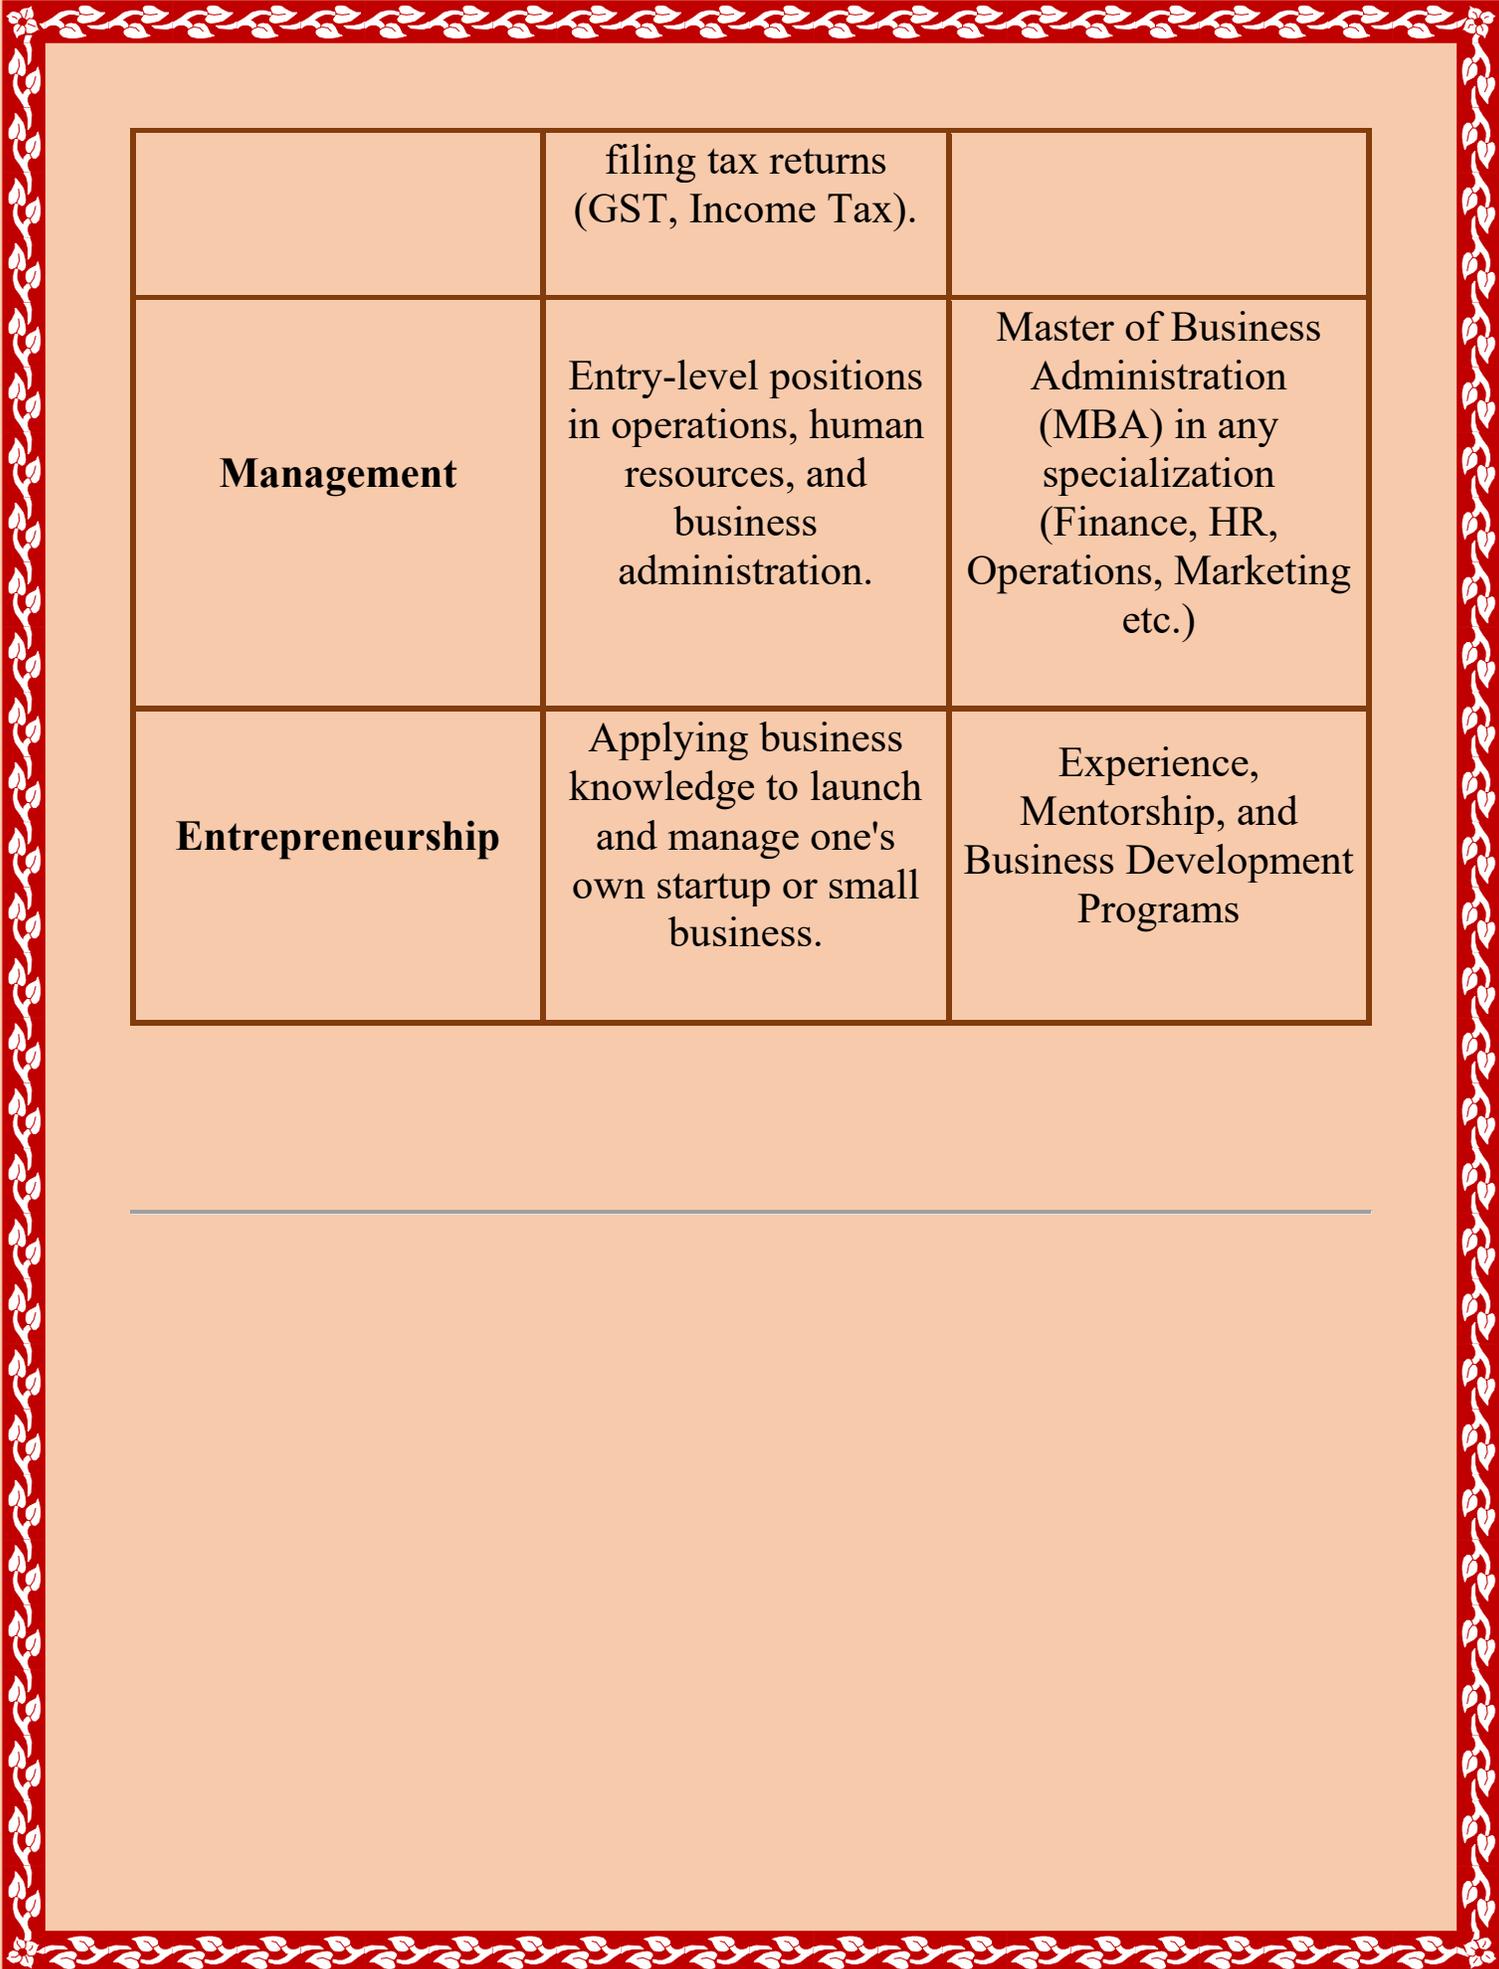

Mission:

- ✓ **Academic Excellence & Continuous Improvement:** To deliver a high-quality B.Com curriculum that provides comprehensive knowledge in accounting, commerce, and essential business practices. We commit to regular knowledge sharing, brainstorming, and evaluation to ensure our education remains relevant and cutting-edge.
 - ✓ **Professional Skill Development:** To actively develop the essential professional skills crucial for employability, including critical thinking, problem-solving, and technology proficiency, ensuring students are ready for the modern workplace.
 - ✓ **Ethical and Social Responsibility:** To cultivate a strong ethical foundation in our students, preparing them to be conscientious and responsible leaders who contribute positively to both the corporate world and society at large.
