Subject: Awareness Program on Drug De-addiction and Substance Abuse

The Anti-Drug Committee of our college recently organized an important awareness program on drug de-addiction, substance abuse, and the harmful effects of drugs. The program was held on 27th August 2024 and included a guest lecture by Dr. Divas, the Medical Officer of the Community Health Centre (C.H.C.) in Nankhari.

Dr. Divas shared valuable insights into the mental and physical harms caused by drugs, particularly among students, and discussed the diseases and health complications that can result from drug use. His talk emphasized the importance of living a healthy, drug-free life.

The session was informative and eye-opening, motivating students to take responsibility for their health and make positive choices. Following the lecture, Dr. Poonam Mehta, the Principal of the college, shared her views on the ill effects of drugs on families and society. The program concluded with a vote of thanks delivered by the program convenor, Assistant Professor Dev Kumar.
