

# Report on Anti-Drug and AIDS Awareness Programme at GDC Nankhari

**Date:** 2nd December 2024

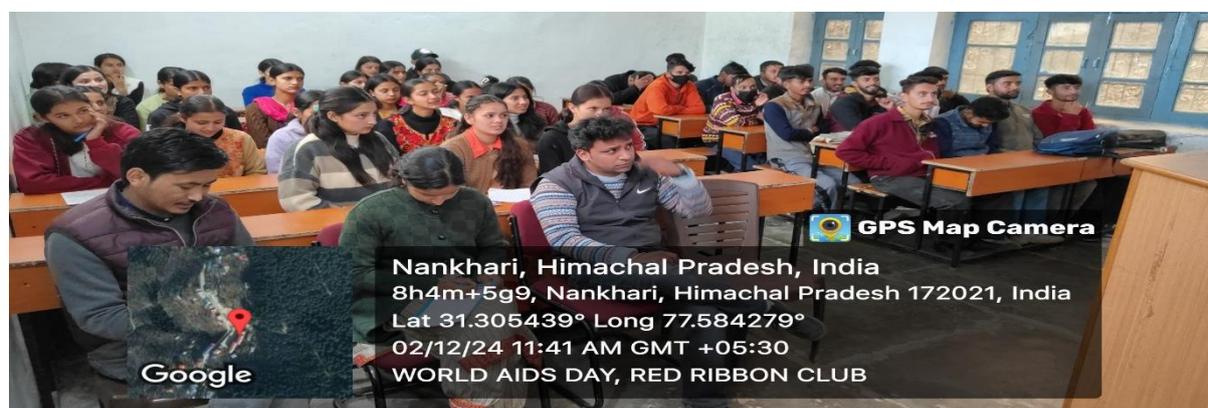

**Venue:** Government Degree College (GDC), Nankhari

On the occasion of *World AIDS Day*, the Anti-Drug Committee of Government Degree College, Nankhari, in collaboration with the Red Ribbon Club, organized an awareness programme aimed at educating students about the harmful effects of drug addiction and its link to the spread of HIV/AIDS.

The highlight of the event was a **declamation competition**, where students passionately voiced their thoughts and raised awareness on the theme of drug abuse and its social and health consequences. Participants addressed the audience with compelling speeches emphasizing the need for youth to stay away from drugs and adopt a healthy, responsible lifestyle.

The event was graced by **Assistant Professor Dev Kumar**, Convener of the Anti-Drug Committee, who addressed the gathering. In his speech, Professor Kumar spoke about the grave dangers of drug addiction, particularly among the younger generation. He emphasized how drug use not only deteriorates physical and mental health but also significantly increases the risk of contracting HIV/AIDS due to unsafe practices such as needle sharing. He urged students to remain vigilant, spread awareness among their peers, and contribute to building a drug-free society.

The program concluded with a vote of thanks, appreciating the efforts of all participants, organizers, and faculty members involved in making the event a success. The initiative served as a powerful reminder of the role educational institutions can play in shaping a healthy, drug-free future.
