

Awareness Program on HIV – AIDS

27th August 2024

On 27th August 2024, the Red Ribbon Club, in collaboration with the Community Health Centre (CHC) Nankhari, organized an Awareness Program on HIV-AIDS. The event was inaugurated with formal permission from the Principal, Dr. Poonam Mehta, and featured a declamation competition. Dr. Divas, Medical Officer at CHC Nankhari, provided a comprehensive session on HIV and AIDS, clarifying the distinction between the two, discussing their causes, and outlining preventive measures. The aim of the program was to enhance awareness among students, reduce the spread of HIV, and offer support to those affected. The declamation competition included participants from BA/B.Com. 1st, 2nd, and 3rd Year, with Tanush, Udyat, Rajneesh, Rajan, Nitish, Smrita, Payal, and Diksha competing. The judges, Prof. Priyanka and Smt. Ram Dasi (Health Supervisor, CHC Nankhari), awarded the first position to Diksha (BA 3rd Year), while Payal (BA 3rd Year) and Smrita (BA 2nd Year) secured the second and third positions, respectively. The event concluded with the announcement of the winners and appreciation for all participants.
