

# **Report on Campus Beautification through Plastic Bottle Recycling at Government College Nankhari**

**Date:** 15th March 2025

**Venue:** Government College Nankhari Campus

**Event:** Plastic Bottle Recycling and Campus Beautification by Rangers and Rovers Unit

On 15th March 2025, the Rangers and Rovers unit of Government College Nankhari organized an environmental initiative aimed at beautifying the college campus by utilizing plastic bottles in a creative and sustainable way. This initiative, which focused on recycling plastic waste, also aimed to promote environmental awareness and foster a sense of responsibility among students towards campus cleanliness and green space creation.

The event witnessed active participation from the Rangers and Rovers unit members who engaged in a hands-on, eco-friendly activity that contributed to the aesthetic enhancement of the campus. The core idea behind the event was to repurpose plastic waste into functional and visually pleasing objects.

The main objectives of the event were as follows:

- **Recycling Plastic Waste:** Promote the practice of recycling plastic bottles to reduce environmental pollution.
- **Environmental Awareness:** Raise awareness about the harmful effects of plastic waste on the environment and the importance of waste management.
- **Campus Beautification:** Enhance the beauty of the college campus by creating green spaces using sustainable methods.
- **Engagement and Teamwork:** Foster collaboration among Rangers and Rovers through a hands-on, community-focused activity.

The activity followed a structured process, which included the following steps:

## **Collection of Plastic Bottles**

### **Preparation of Plastic Bottles**

- The collected plastic bottles were carefully prepared by cutting and cleaning them to remove any debris or residues.
- Holes were punctured at the bottom of the bottles to ensure proper drainage and prevent water logging.

### **Filling the Bottles with Soil**

### **Planting Flower Seeds, Mint, and Coriander**

### **Placement in the Campus**

The plastic bottle recycling and campus beautification initiative organized by the Rangers and Rovers unit of Government College Nankhari was a resounding success. It not only contributed to the aesthetic value of the campus but also fostered environmental awareness and a sense of community responsibility among the participants. This event served as an excellent example of how small, sustainable actions can have a lasting positive impact on the environment.
