

Campus Cleanliness Programme

14th September 2024

The NSS unit conducted a one-day Campus Cleanliness Programme at the college campus under the “Swachhata Pakhwada” campaign, which is being celebrated from 17th November to 2nd October this year. The volunteers under the supervision of the Programme Officer, cleaned the campus, collected garbage from every nook and corner, disposed the garbage, cut down the overgrown grass and collected plastics from the college premise. Prof. Vijay Kumar ensured that all the volunteers were effectively engaged in the various activities. The primary objective of the campaign was to inculcate the habit of cleanliness and to promote the community participation among the volunteers. The students spent two hours for the cleanliness programme which started at 12pm and ended at 2pm. The event witnessed a humongous participation from the NSS volunteers.
