

“Ek Ped Maa Ke Naam”

1st October 2024

On the occasion of Gandhi Jayanti, the National Service Scheme Unit in collaboration with the Eco Club of GDC, Nankhari, organized a plantation drive around the new college building at Girdidhar, to promote environmental awareness and sustainability. Celebrating the legacy of Mahatma Gandhi, the event focused on the theme "**EK PED MAA KE NAAM**" which underscores the importance of protecting Mother Earth. Approximately 30-35 saplings of **Deodhar Cedar** were planted around the new campus, selected for their viability in the local climatic conditions, ensuring better chances of survival and growth. The initiative encouraged active participation from both students and faculty, fostering a sense of responsibility towards the environment.

Dr. Poomam Mehta, the Principal, addressed the gathering, highlighting Gandhi Ji's teachings on sustainable development. She emphasized the significance of each individual's role in maintaining a clean and green environment, urging students to reflect on their responsibility towards their surroundings and adopt practices that contribute to environmental conservation. The event was further enriched by the presence of Eco Club convenor Prof. Dev Kumar Negi, NSS officer Prof. Priyanka, and other faculty members, whose involvement underscored the collective commitment of the college community to environmental stewardship.

The objectives of the plantation drive included raising awareness about environmental issues among students, promoting the practice of planting trees as a means of combating climate change, and inspiring students to take initiative in preserving the environment. Overall, the plantation drive was a significant step towards enhancing the green cover of the college campus while instilling a sense of environmental stewardship in the students. By connecting the event with Gandhi Jayanti, participants were reminded of their duty towards Mother Earth and the importance of sustainable living, reflecting the college's commitment to environmental education and awareness.
