

**Date:** 06/03/2025

**Venue:** Fire Station at Rampur Bushahr

**Name of the event:** Training on Fire Extinguisher Handling

**Organised by:** Road Safety Club of the College

**No. of Participants/Trainees:** 15

As part of the club's skill development and awareness initiatives, a visit to the Rampur Bushahr Fire Station was organised on 6th March 2025. Fifteen enthusiastic club members participated in this insightful and interactive session.

The visit began with a warm welcome from the fire station team, followed by an orientation session led by Fire Officer Shri Kishan Chand Soni, Leading Fireman Ramesh Chand, and Shri Ghansham Kumar. The officers shared their experiences and offered valuable insights into the daily operations, challenges, and responsibilities of fire and emergency personnel.

**The training session primarily focused on the following aspects:**

**1. Types and Usage of Fire Extinguishers:**

Students were introduced to various fire extinguishers, including water-based, foam, CO<sub>2</sub>, and dry chemical extinguishers. Demonstrations were provided, followed by a hands-on training session in which students were allowed to operate the extinguishers under the supervision of the fire personnel.

**2. Emergency Response Protocols:**

The officers briefed the students on the standard procedures followed during road accidents and other fire-related emergencies. Emphasis was laid on the importance of prompt action, clear communication, and presence of mind in such scenarios.

**3. Role of Common Citizens in Emergencies:**

A vital part of the session revolved around how ordinary citizens can play a crucial role during emergencies—by calling for help, ensuring safety, and assisting without endangering themselves.

**4. Equipment and Vehicle Familiarization:**

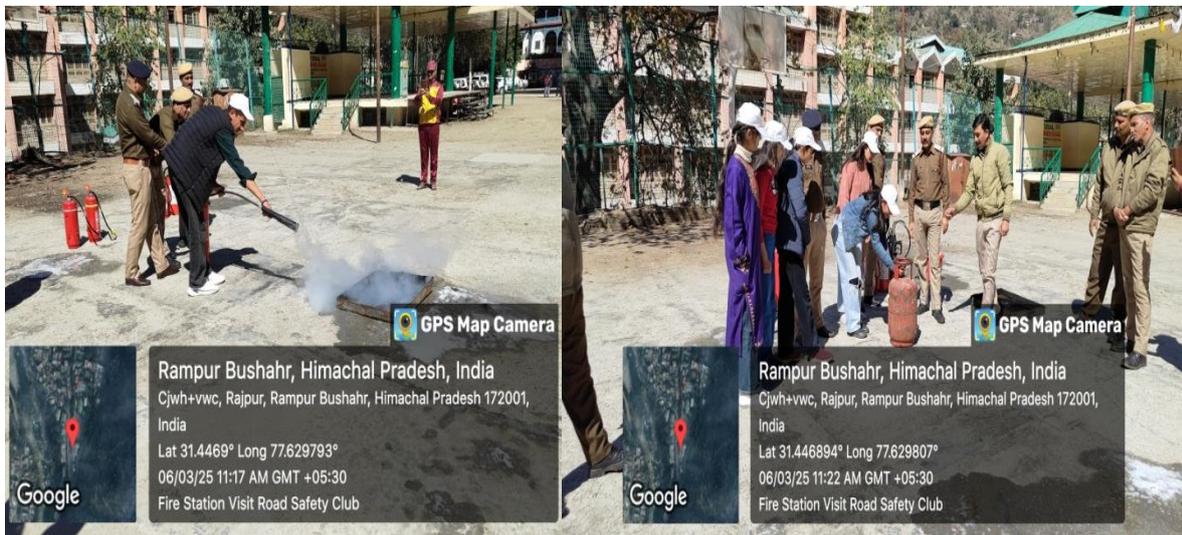

Students were given a guided tour of the fire station's emergency response vehicles. They explored tools and equipment such as hydraulic cutters, fire hoses, breathing apparatuses, and other safety gear. Firefighters explained the specific purpose and functionality of each item.

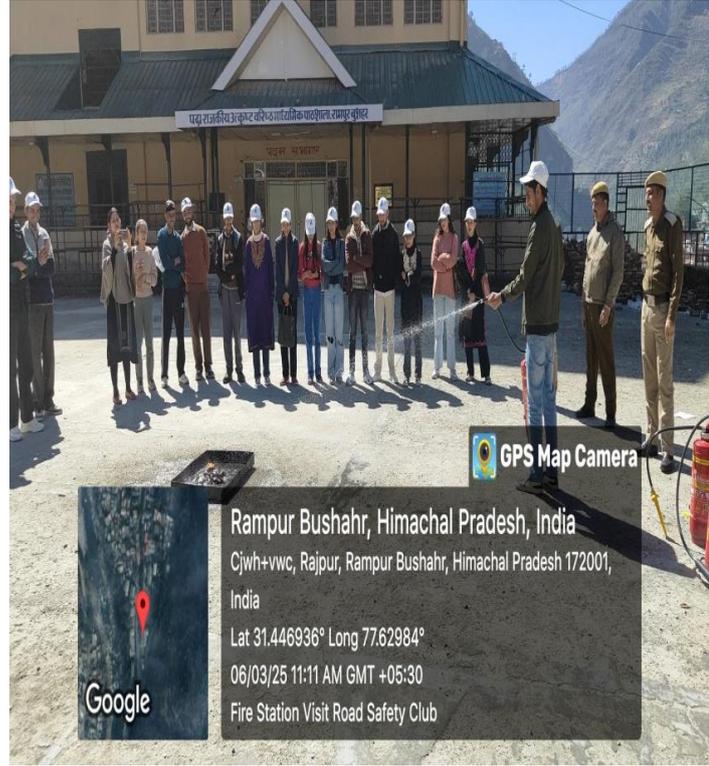

## Outcome of the Visit:

The visit provided students with first-hand knowledge and a deeper appreciation for the work carried out by fire and rescue teams. It helped them understand the importance of fire safety, emergency preparedness, and civic responsibility.

The participants were grateful to the fire station staff for their time, patience, and the highly informative session. The activity proved educational and inspiring, equipping the students with essential life-saving knowledge.
