

INTERNATIONAL WOMEN'S DAY CELEBRATION

Date: 7th March 2026

Number of Beneficiaries: 44

Venue: GC Nankhari

Organised by: Women's Cell

On 7th March 2026, the Women's Cell of Government College Nankhari organised a celebration to mark International Women's Day. As 8th March 2026 fell on a Sunday, the programme was celebrated in advance on 7th March within the college campus. The event witnessed enthusiastic participation from students, faculty members, and staff, making the celebration meaningful and inspiring.

The celebration included various creative and literary competitions such as Poster Making, Greeting Card Making, and Article Writing, all based on the theme of International Women's Day. These activities were organised to encourage students to express their ideas, creativity, and perspectives on women's empowerment, gender equality, and the role of women in modern society.

Poster Making Competition: The Poster Making Competition provided students with an opportunity to present their thoughts visually on women's empowerment and gender equality. Students prepared colourful and meaningful posters carrying slogans and messages highlighting women's rights, education, leadership, and social equality. The posters reflected creativity, awareness, and strong messages supporting the empowerment of women in all spheres of life.

Greeting Card Making Competition: The Greeting Card Making Competition allowed students to showcase their artistic skills by designing greeting cards dedicated to women and their achievements. The cards included motivational messages, quotes, and creative artwork appreciating the strength, resilience, and contributions of women in society. The activity encouraged students to express respect and appreciation for women through creative expression.

Article Writing Competition: The Article Writing Competition provided a platform for students to express their views on the importance of International Women's Day, women's empowerment, gender equality, and the challenges faced by women in society. Students wrote thoughtful articles highlighting the need for equal opportunities, education, safety, and respect for women. The articles reflected awareness, sensitivity, and a strong understanding of social issues related to women.

Faculty members also addressed the students and spoke about the importance of celebrating International Women's Day and recognising the role of women in shaping society. They emphasised the need for education, independence, confidence, and equal opportunities for women to ensure true empowerment and social progress.

The International Women's Day celebration at Government College Nankhari was successfully organised and actively participated in by students. The various competitions not only encouraged creativity and expression but also spread awareness about women's rights, equality, and empowerment. The celebration served as a reminder of the importance of respecting, supporting, and empowering women in all aspects of life.
