

Report on Orientation Session for Ranger and Rover Club Members

Date: 25 November 2024

Venue: Govt. College Nankhari

On 25th November 2024, an informative and engaging orientation session was conducted for the newly inducted members of the Ranger and Rover Club at Govt. College Nankhari. The session aimed to introduce the club's activities, objectives, and the spirit of service, along with providing valuable insights into the club's working.

The session commenced with an introduction to the Ranger and Rover Club, explaining its significance and the role it plays in community service and personal development. The members were given a comprehensive overview of the club's history, its core values, and the various initiatives it undertakes. Videos showcasing past events and activities of the club were presented to provide a better understanding of its functioning and impact on both the local and global communities. The orientation was facilitated by the esteemed scout leaders of the Ranger and Rover Club, Prof. Lalit Kumar and Prof. Sharmila Nalwa.

The orientation session successfully equipped the members with the knowledge they need to embark on their journey with the Ranger and Rover Club. It was an inspiring and interactive session that laid the foundation for active participation, learning, and contribution to the community. The conveners expressed their confidence in the new members' potential to uphold the club's values and make a positive impact.
