

Road Safety Awareness Rally

Date: 17/10/2025

Venue: College Campus to Nankhari Chowk

Organised by: Road Safety Club

No. of Beneficiaries: 32

In view of the increasing number of road accidents and fatalities, the Road Safety Club of Government Degree College, Nankhari, organised a Road Safety Awareness Rally on 17th October 2025. The rally aimed to sensitise the local community about the importance of safe driving practices, adherence to traffic rules, avoiding drunk and rash driving, and responsible behaviour on the road - both as drivers and pedestrians.

The rally commenced from the college campus and proceeded to Nankhari Chowk, led by Kamlesh, a B.A. 3rd Year student and an active member of the Road Safety Club. Before the rally began, the Convenor of the Club, Prof. Punita Verma, briefed the students about the objective of the event and emphasised maintaining discipline throughout the march. Students enthusiastically rehearsed the slogans and prepared banners, flags, placards, and posters carrying impactful messages on road safety.

The rally was flagged off by the Principal, Dr. Prem Prakash Chauhan, from the college campus. The students then marched through the main streets of Nankhari, chanting catchy, educational slogans to draw public attention. Upon reaching Nankhari Chowk, the students presented a flash mob performance highlighting the importance of road safety and responsible driving.

Faculty members, including Dr Inder Singh Suryan, Prof. Sharmila Nalwa, Prof. Priyanka, and Dr Tanvee, also joined the rally, motivating the students through their participation. The rally concluded back at the college premises, where Dr Punita Verma, the convenor of the club, expressed gratitude to the Principal, faculty members, and students for their active involvement and cooperation in making the event a success.

The rally effectively spread the message of road discipline and safety awareness among local residents and reinforced the collective responsibility to ensure safer roads for all.
