

**Title: *Raising Road Safety Awareness through Street Play and Rally***

**Date of Event: 13/03/2025**

**Venue: Nankhari Chowk**

**Organised by: Road Safety Club, GDC Naankhari**

**No. of Beneficiaries: 60**

**Objective:**

The event aimed to spread awareness among the local community about the dire consequences of reckless behaviour on roads. By employing the impactful medium of street theatre, followed by a community-engaging rally, the club intended to instill a sense of responsibility and caution in both current and future drivers.

**Event Summary:**

As part of its road safety initiative, the club successfully organised a *Nukkad Natak* (street play) at Nankhari Chowk, a popular public space with significant footfall. The performance vividly dramatised the consequences of various negligent driving habits, such as:

- Overspeeding
- Using mobile phones while driving
- Overloading vehicles
- Failure to yield to emergency vehicles

Through powerful dialogues, expressive acting, and realistic scenarios, the play highlighted how such behaviours can lead to accidents, injuries, loss of life, and emotional trauma for families.

**Key Highlights of the Natak:**

- A poignant portrayal of a family torn apart due to an accident caused by mobile phone usage while driving.
- A dramatisation of an ambulance getting stuck in traffic due to non-cooperation from other drivers.
- A symbolic representation of 'Speed' as a villain, emphasising the perils of overspeeding.
- Use of humor and satire to keep the audience engaged while delivering serious messages.

The performance drew a large crowd of locals, many of whom stopped to watch and interact with the performers, showing active interest and appreciation for the initiative.

### **Awareness Rally:**

Following the *Natak*, students and club members organised an awareness rally to reinforce the message of road safety. The rally commenced from Nankhari Chowk and moved through nearby streets and marketplaces.

### **Key features of the rally included:**

- Slogans and Chants: Students raised awareness with energetic chants such as “Safe Drive, Save Life!”, “Don’t Text and Drive!”, and “Give Way to Ambulance – Someone’s Life Depends on It!”
- Banners and Posters: Creatively designed visuals carried impactful messages and statistics related to road accidents and safety norms.
- Community Engagement: Passersby were invited to read the posters, ask questions, and join the cause.

The enthusiastic participation of students created a vibrant and educational atmosphere that left a lasting impression on the local population.

### **Impact and Response:**

- Public Feedback: Several members of the public expressed gratitude and praised the students for their creative and meaningful effort.
- Media Attention: Local media representatives covered the event, amplifying its message to a wider audience.
- Institutional Support: The initiative was supported by local authorities and the educational institution, which lauded the club’s proactive role in community education.

### **Conclusion:**

The Nukkad Natak and awareness rally at Nankhari Chowk successfully achieved its purpose of spreading awareness about road safety in a manner that was both educational and emotionally resonant. It stands as a testament to the power of youth-led initiatives in driving positive societal change.
