

# **Report on the Celebration of National Wildlife Week 2025**

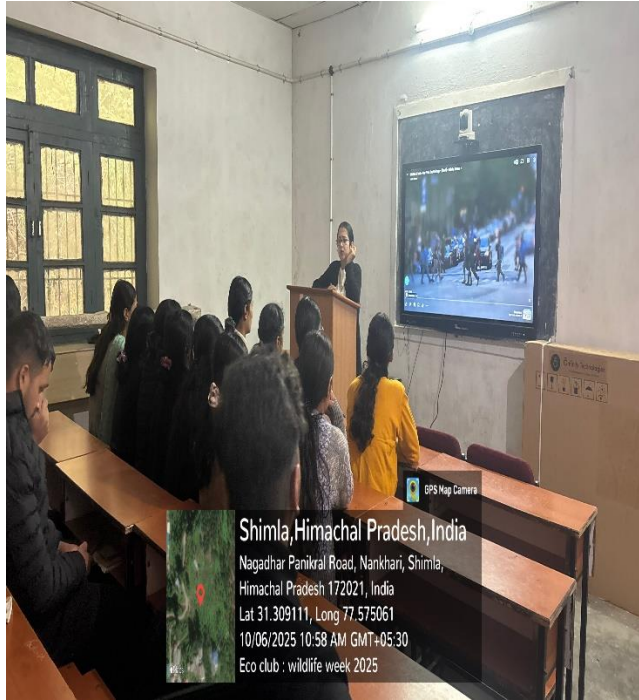

The National Wildlife Week is observed every year from 2<sup>nd</sup> October to 8<sup>th</sup> October to create awareness about the importance of protecting wildlife and conserving natural habitats. This year, the Eco Club of our college celebrated the week with great enthusiasm. On this occasion, the Eco Club organized a series of activities to engage students and promote awareness about wildlife conservation and environmental protection. The celebration began on 3<sup>rd</sup> October 2025 with an Essay Writing Competition, in which students expressed their ideas on the need to conserve wildlife and protect biodiversity. Avantika Soni, a student of B.A. 3<sup>rd</sup> Year, secured the first position for her insightful essay.

On 6<sup>th</sup> October 2025, a documentary film titled “Wildlife of India – Our Pride, Our Heritage” was shown to the students. The documentary highlighted India’s rich wildlife diversity, the challenges faced by endangered species, and the urgent need for conservation. It inspired students to appreciate and protect the natural wealth of the nation.

The concluding event of the week was held on 8th October 2025, featuring an exciting Quiz Competition organized in collaboration with the Forest Department, Nankhari. The quiz covered topics related to wildlife, forests, environment, and endangered species etc. The quiz

programme was successfully conducted in the presence of delegates from the Forest Department, including Rajiv Sharma (Block Officer, Nankhari), Himesh Negi (Block Officer, Gahan), Mukesh Thakur (Forest Guard, Addu), Saurav Mashtu (Forest Guard, Nankhari), and Divya (Van Mitra). Their active involvement made the event more informative and inspiring for the students. Four teams participated in the competition, each comprising three students. Team A: Rajat (B.A. 3rd Year), Ronika (B.A. 3rd Year), and Nitish (B.A. 1st Year) secured the first position. Team C: Samrita (B.A. 3rd Year), Kanika (B.A. 1st Year), and Ganga (B.A. 1st Year) achieved the second position.

At the conclusion of the event, the delegates from the Forest Department presented medals to the winning team and the runner-up team as a token of appreciation for their knowledge and enthusiastic participation. Throughout the week, both students and faculty members actively participated in the various activities, making the celebration a great success. The observance of National Wildlife Week 2025 not only enhanced students' awareness and understanding of wildlife conservation but also inspired them to contribute toward protecting the environment and maintaining ecological balance.
