In celebration of the vibrant month of Saawan, the joyous festival of Teej, and the upcoming occasion of Raksha Bandhan, the Women Cell of Government Degree College Nankhari organized a Rakhi Making and Mehendi Competition on 25th July 2025. The event aimed to promote cultural values, creativity, and the spirit of festivity among the students.

The Rakhi Making Competition witnessed enthusiastic participation from students who crafted beautiful and innovative rakhis using easily available and eco-friendly materials such as ear buds, flower petals, wool yarns, ribbons, and beads. Their creations reflected not only artistic skill but also sustainable practices, as many chose to reuse and repurpose daily-use items.

Simultaneously, the Mehendi Competition offered a platform for students to express their creativity through intricate and traditional henna designs. Participants adorned their hands with stunning patterns ranging from floral motifs to traditional Rajasthani and Arabic styles. The detailed and aesthetically pleasing designs showcased their fine artistry and cultural appreciation.

Both competitions were judged based on creativity, presentation, and originality. The event created an atmosphere of joy and celebration within the college premises and encouraged students to engage with India's rich cultural heritage. The Women Cell's initiative was well-received and applauded by students and faculty alike, marking the day as a colorful and meaningful celebration of tradition, talent, and togetherness.
