

Hobby Classes in Music for the session 2024-25

To encourage students, staff, and the local residents to use their free time creatively and reduce excessive mobile phone use, the Music Department started a hobby class in music for all in the months of April and May 2025. These classes were held on the last two days of every week from 12:30 pm to 1:30 pm. These classes provides an opportunity for participants to explore and nurture their interest in music. It covers both the theoretical and practical aspects of Indian classical music. This initiative not only nurtures artistic talent but also promotes mental relaxation, cultural appreciation, and a sense of digital detox by encouraging individuals to step away from screens and engage in mindful, creative activities. Additionally, the course fosters community bonding by bringing together learners of different age groups and backgrounds. It also helps cultivate discipline and confidence as participants practice and perform various musical pieces.
